The Third Annual Alachua Stone Age Fair is an educational show, featuring outstanding private and public artifact and fossil collections. No commercial buying or selling of prehistoric artifacts or fossils will be allowed. A number of highly regarded speakers will be presenting the latest information on Paleolithic people and animals in North America, concurrently with the displays in the exhibition hall. SSAS is currently accepting donations to help offset show expenses. Please contact SSAS Treasurer Hugh McKenzie at: hughm@vargaresearch.com If you are interested in possibly displaying your collection at the show, please contact SSAS President Bob Knight at 386-462-1003.
